## Description

Villa Rainbow is a large modern townhouse with a pool located in a rural community in the north of Palma. The villa is the perfect starting point for cycling or hiking, and is situated at the foot of the Tramuntana mountain range. But those seeking relaxation will also find hammocks and comfortable chill-out lounges on the spacious pool terrace to unwind.

The 12 bedrooms are air-conditioned and each equipped with satellite TV. Broadband internet/Wi-Fi is available throughout the house and pool area, allowing even larger groups to have good reception and work facilities.

The well-equipped kitchen with a long dining table is the common area with access to the spacious pool terrace, BBQ and chill-out area.

Thus, Villa Rainbow offers the perfect mix of relaxation and activity to make your vacation in Mallorca unforgettable. Whether you prefer hiking or cycling, or simply lounging by the pool and enjoying the view - this villa has something for everyone. With 12 air-conditioned bedrooms and broadband internet, it is also ideal for larger groups or families. The well-equipped kitchen and communal area provide the opportunity to cook and dine together, while the spacious terrace offers ample space to relax and unwind.

## Specials

Forget about everyday life and enjoy the interesting atmosphere of Villa Rainbow.

For cyclists, there is a maintenance station as well as vertical bicycle parking available. For fitness enthusiasts, the Arnold GYM with a variety of equipment is available for free use, and the large pool provides refreshment on warm summer days.

Four of the 12 double bedrooms, each with an en-suite bathroom, are equipped with a freestanding bathtub. Four bedrooms have a small balcony terrace, and the remaining four bedrooms have a chaise lounge. The large pool provides refreshment on warm summer days.
