Description

Embodying the very soul of the Serengeti, this private and remote camp offers guests the spirit of wild Africa. Set in a landscape that is gentle yet rugged, the Camp reflects the heart of this untamed land with a vintage safari style. The stone interiors of the guest areas open up to breathtaking panoramas, with open fireplaces to keep the chill away. Featuring a beautifully furnished bar and sitting area, stone floors and deep leather armchairs invite you to while away the hours. Boasting one of the finest views in Africa, spend afternoons on your personal verandah overlooking smoky views of distant hills.
