Description

Located on a quiet cul-de-sac in the gated community of Las Merinas make this property ideal for your next vacation. Situated on one of the sought-after corner plots your stay will be characterized by spectacular views of the Mediterranean Sea, utmost privacy and plenty of tranquillity. A foyer area with extra high ceilings and a powder room welcomes guests to Celeste Villa ? here, an elegant staircase connects the four floors of the property while a hallway gives access to two charming bedrooms and a large bathroom. The upstairs is devoted to the master bedroom with its own en-suite bathroom, dressing and sitting area and a private terrace ? naturally affording the same breath-taking views that can be found throughout the entire home. The ground floor seamlessly connects a contemporary living room, enclosed patio, dining area and a large kitchen. Wide windows in the living room offer gorgeous views of the lush greenery outside, sliding doors enable the patio to fully open up towards the garden while a wood burning stove will be perfect for chillier evenings. The kitchen offers a lot of natural light while the latest appliances and a state of the art wine humidor leave nothing to be desired. The lower level of Celeste Villa features an additional bedroom with direct views of the garden, a separate bathroom as well as a laundry room. A barbecue area will be your favoured place to linger with family and friends and experience the Mediterranean lifestyle.
