## Description

Delight your senses at Villa Serenity, undoubtedly one of the most beautiful villas in Marbella. The property offers all the facilities for a truly memorable family holiday.

Its large plot of over 5,000 m<sup>2</sup> is surrounded by extensive mature gardens with several relaxation and entertainment areas, all with beautiful sea and mountain views. Here you can sit and read a good book, have an aperitif with friends or enjoy a magnificent outdoor barbecue. By the end of the day, enjoy the breathtaking views from the fantastic jacuzzi on the house's solarium or prepare an informal meal in the outdoor kitchen. After dinner, you can relax with a drink in the lounge with outdoor fireplace while the children watch a movie in the summer cinema. On cooler evenings, the whole family can enjoy the bar as well as the cinema on the ground floor of the house. For those who prefer it, nothing better than a bit of a workout in the gym, followed by a sauna session and a few lengths in the indoor swimming pool. The villa, built on three levels with a lift, has 7+1 bedrooms, all with en-suite bathrooms, an interior gourmet kitchen, a spacious living and dining room, a comfortable office and parking for 4 cars.

Important note: The property has a Property Manager at your disposal from Monday to Friday from 8am to 3pm. The outdoor pool and the jacuzzi in the rooftop terrace can be heated at an additional cost and must be contracted in advance.
