Description

Villa White X is located high on the hill of Can Pep Simo/ Cap Martinet and offers a breathtaking panoramic sea view of the shimmering blue bay of Talamanca and Ibiza Town.

With its white appearance, it shines in an elegant design and combines classic and modern with its minimalist interior. The highlight of the villa is the infinity pool and the in-house roof terrace, which offers a 360 degree view of the sea and the mountains of Ibiza. From there, you can enjoy beautiful sunrises and sunsets from your private sky bar and spend the days in good company.

The open living rooms with large glass fronts are spread over the three floors and the adjacent outdoor terraces with the infinity pool invite you to chill out.

With its 4 bedrooms, the villa has enough space for up to 8 people and offers an extra bed for up to 2 additional people upon request.

The beach of Talamanca, the Pacha Beach Resort Destino and some of the top beaches can be easily reached on foot and restaurants on the island such as Sa Punta, Patchwork, Ginger or Nobu are also just a few minutes away by car, as is Ibiza Town.
