Description

Can Aris is a two-storey, modern, white country house villa in Ibizan style, where modern architecture and nature flow into each other without a hitch. It is located on a spacious 25,000 square meter plot near Sant Joan in the north of the island and has 8 bedrooms and bathrooms.

Upon entering this exclusive property, you are greeted by an inviting garden landscape, lovingly designed with two swimming pools and several chill-out terraces with comfortable sun loungers. A whirlpool invites you to take a pleasurable bath outdoors. You can also enjoy our open-air bar, where you can relax with a refreshing drink under the sun-drenched backdrop of Ibiza or relax romantically under the twinkling starry sky.

A dome tent offers a private "hideaway" for yoga or other mindful practices and is the ideal retreat for those seeking peace and quiet.

There is a very special highlight for families with children: the lovingly designed wooden playhouse makes every child's heart beat faster.

Can Aris is the perfect retreat for families, friends and yoga events.
