## Description

This charming private villa is located in the heart of the picturesque Cortijo El Carligto estate, situated in the coastal region of La Axarquía in Andalusia. With breathtaking views, exquisite interiors and a private pool, the villa offers the ultimate in beauty and luxury. From the pool and the spacious terraces, you can enjoy uninterrupted views over the mountains to the Mediterranean Sea. Numerous discoveries await you in the surrounding area - from white mountain villages to the marvellous coastal landscape. This exclusive Andalusian retreat comprises two stylish villas (El Carligto and Hunting Lodge), which can be rented individually for smaller groups or together for special occasions such as weddings, events or an unforgettable holiday for up to 14 people. If you are interested, we look forward to hearing from you.

Upon entering the villa, you are greeted by a stylish ambience - with hand-picked antiques, cosy furniture and open fireplaces (both inside and outside), it provides an incomparable feel-good experience. The living area exudes an inviting atmosphere, while the traditional kitchen is perfectly nestled under an impressive beamed ceiling. Here you will find everything you need to prepare a feast - or you can sit back and relax and hire a private chef.

The four comfortable double bedrooms (two of which have en-suite bathrooms) are furnished with luxurious bed linen and colourful textiles. Against a backdrop of white walls, tiled floors and beamed ceilings, the rooms exude pure tranquillity. The master bedroom impresses with a spectacular bathroom, which is accessed through a vaulted corridor and features a hammam-inspired design, a private balcony terrace and an outdoor shower.

Outside, an impressive panorama opens up, stretching from the mountains to the Mediterranean. The view stretches far across the landscape and is both mesmerising and calming. Numerous shady spots invite you to retreat with a book - or perhaps you would like to use the tranquillity of the covered spa cabin for a moment of inner contemplation. For socialising, there is a stylish outdoor kitchen with a cosy seating area. Located right by the pool, it provides for your dinners a large dining table, a fireplace and twinkling lights.

The pool itself boasts crystal-clear water, plenty of sun loungers and a breathtaking view. Next to the pool, the green garden invites you to spend more relaxing moments in an idyllic setting.
