Description

The villa sits on a generous plot and is characterised by its manicured garden, which is lined with lush bougainvilleas and fruit trees. The garden stretches along the sides and rear of the property, while there is ample parking space at the front - all safely concealed behind a large electric gate.

By the pool, a shady, cosy lounge area invites you to relax, flanked by two spacious cabanas that offer ideal protection from the intense Ibizan sun. There is also an outdoor barbecue station with bar and a dining area, perfect for cosy Spanish evenings in the open air.

Villa Labonita is a spacious property with air conditioning and high-speed WiFi, which is available both in the house and in the garden.

The house impresses with a light-flooded, modern kitchen, a spacious living area and a large TV room equipped with a 62-inch TV, Netflix and English channels.

Villa Labonita also boasts an ideal location: just a 10-minute walk from shops, 5 minutes by car from the beach and 20 minutes from the airport.
