Description

Here, in a sprawling three-hectare garden full of colourful flowers, you will find an idyllic Ibiza retreat. At the same time, popular beach destinations such as the Blue Marlin Beach Club and Yemanja are just a short drive away.

The low, whitewashed walls of this charming holiday home feature playful curves reminiscent of Gaudi's style and lead onto simple terraces with elegant wooden decking.

The spacious garden offers numerous picturesque corners to enjoy the Ibizan sun. Relax in the shade of a veranda overgrown with vibrant bougainvillea, make yourself comfortable on a chair under a covered terrace to enjoy a meal with friends, or lie down on a lounger by the pool and experience the feeling of pure bliss.

The pool itself has a gently sloping area that is perfect for small children or simply for relaxing in the water. In the deeper part, you can relax and swim your laps while enjoying the view of Las Salinas and Formentera, where the sea shimmers tantalisingly in the distance.

On another terrace overlooking the pool, you will find two separate outdoor dining areas. This sunny terrace leads directly into the main living areas of the house.

The interior of Estrella Azul combines the charm of a 200-year-old traditional Payesa house with modern, stylish renovations. The cosy living room with fireplace and the elegant, fully equipped kitchen offer a harmonious combination of authentic Ibizan country house style and contemporary chic.

An additional indoor area with chill-out and entertainment options is ideal for guests. Comfortable sofas, a pool table, table football and a bar await you here. For special occasions, access to an exclusive club area with music system, lighting and DJ booth can be arranged.

The guest rooms at Estrella Azul are divided between the main house and a separate casita overlooking the pool. The casita houses the master suite, a luxurious retreat in a calming white colour scheme.

Here, a curved bench with sofas leads onto a private terrace. In the upper mezzanine area, an oval king-size bed dominates the room along with a fireplace. The main bathroom impresses with a spacious, oval bathtub, which overlooks the tropical garden and is a particular highlight.

The guest bedrooms, on the other hand, are understated yet inviting: cosy double rooms with whitewashed walls, exposed wooden beams and soft, white bed linen.

Estrella Azul is a luxurious holiday home with an unrivalled peaceful and secluded atmosphere, yet only minutes away from the best beaches and beach clubs on the island.
