## Description

This stunning property combines the highest level of modern comfort with 17th century rustic charm and is located in a quiet area, just a 5 to 10 minute drive from the beach in Port de Sóller. It offers larger families or groups of friends a unique holiday experience.

The extensive garden invites you to relax in idyllic spots under the Mallorcan sun. Whether you are resting on the terrace under a shady canopy or enjoying pure relaxation on a sun lounger by the pool, you will find total relaxation here.

Swim in the pool and let your gaze wander over the mountains and the surrounding landscape, or enjoy an al fresco meal with a pool view.

The interior also reflects a harmonious blend of traditional architecture and tasteful, modern renovation. The two cosy lounges and the elegant, fully equipped kitchen with panoramic views combine traditional Mallorcan farmhouse flair with modern style.

In addition, the property has a second 'prep' kitchen on the ground floor and offers all modern amenities such as air conditioning, central heating, Wi-Fi, a sound system and satellite TV.

With six double bedrooms, each with its own bathroom, the accommodation can sleep up to twelve people.
