It has the typical rustic features of most houses in Deia: exposed wooden beams, cosy wood-burning fireplaces and a stone façade with charming shutters. Son Carmelo offers numerous options for comfortable living. Several lounge areas with elegant sofas and outdoor areas with comfortable seating invite you to let your view wander over the village. Stone walls, palm trees and a shady courtyard in the centre of the house allow you to enjoy the relaxed Mediterranean lifestyle. The sunny pool terrace is equipped with sun loungers, parasols and a marvellous panoramic view to the sea and the mountains. The barbecue terrace has everything you need for a perfect al fresh meal with family and friends.
