Description

Villa Marrakesch is located in the southwest of Ibiza Island affording spectacular views of the rocks "Es Vedra" and "Vedranell" which supposedly exert a magical pull on people. The beautiful, harmonious Moroccan style reflected in the villa's construction, its design and furnishing makes this holiday home a perfect hideaway for those seeking relaxation in style and ambience. The sun on the terrace can be enjoyed the whole day and in the evening beautiful sunsets announce the beginning of the night. The sandy beach of Cala Carbó is a 10 minute stroll away and it is also not much further to Cala D'Hort with its popular seafood restaurants. Ibiza town is about 20 km away and the airport 15 km.

The villa houses three double and a single bedroom, as well as three bedrooms, one of them en suite. All bedrooms have air condition! A beautiful dining table is located next to the modern kitchen. The spacious comfortable salon with open fire place opens to the various partly sun-covered terrace areas around the pool. Under the arches there are more seating areas and the outdoor dining table. Other features include a BBQ, satellite TV, a central heating in the villa and a new Bose soundsystem for all types of I-Phones.
