A variety of small coves, as well as the quaint towns of Felanitx and Santanyí can be reached in a few minutes by car. The nearest golf course is Val d'Or (5 minutes by car). Sauna facilities in the separate sauna house and high-quality bicycles are available on request.

Specials

The exceptional interior design, the use of high-quality pale stones in floors and bathrooms and the tasteful furnishing and decoration create a very special ambience. The proximity to the sea and the ease to reach various towns and coastal villages, make Finca Siesta del Sol an excellent starting point from where to explore the great choice of activities. Due to under-floor heating the holiday home is habitable throughout the year.
