Description

The Finca Puput Gran is beautifully embedded in the Mediterranean landscape in the northeast of Mallorca near Capdepera. It is completely secluded and offers a wonderful panoramic view of the surrounding region of Capdepera. From the newly created roof terrace you can see as far as Cala Ratjada and have a great distant sea view. The finca is very modern and furnished to a high standard. It has 2 master suites, each with air conditioning and bathroom en-suite, as well as 2 further double bedrooms that share a bathroom. The open and very modern eat-in kitchen leads to the pool terrace with outdoor shower and sun loungers.

Specials

The town of Capdepera with its stone houses decorated with flowers and narrow streets is only a few minutes' drive away, and the beaches of Cala Ratjada are only around 6 km away. The finca has olive trees and its own vineyards and is very popular with families.
