## Description

Villa Ibiza is an architectural masterpiece that nestles perfectly into the island's landscape on the slopes of Roca Llisa, halfway between Ibiza Town and Santa Eulalia del Rio. The modern architecture with its clean lines and large window fronts offers breathtaking views of the sea and the surrounding nature. The expansive terraces and "chill out areas" invite you to linger and offer enough space for cosy evenings with friends or family.

The villa has three bedrooms, each with its own bathroom. The "Chill Out Area" is the perfect place to unwind and relax. The infinity pool is another highlight of the villa and offers a unique opportunity to enjoy the sea view.

The Ibizan interior design is minimalist and modern, giving the villa a special atmosphere. The Sonos sound system provides the perfect background music and rounds off the overall experience.

Villa Ibiza is the ideal place to escape from everyday life and dream. Here you can let your soul dangle and completely relax. Whether alone or with friends and family, the villa offers everything you need for an unforgettable holiday in Ibiza.
