There are three floors, each with its own terrace from which you can relax and watch the sunset, so close that you can hear the sea.

On the entrance level of the house there are two of the bedrooms. One of them is the master suite with walk-in dressing room and private bathroom with double vanity, walk-in shower and bathtub overlooking the sea.

The second bedroom is the smallest room in the house and has a double bed and private bathroom with shower. Both bedrooms have direct access to the upper terrace.

On the middle level, one floor below, is the spacious living area with open dining room and kitchen. From here you can access a terrace with sparkling pool. The kitchen is equipped with all modern amenities, mainly SMEG appliances, Nespresso machine, dishwasher, etc.

On the lower level you will find two more bedrooms. The third bedroom is a double bed and has a walk-in shower. The fourth bedroom is also a double bedroom with its own bathroom and walk-in shower. These two bedrooms also have access to a separate terrace with outdoor seating.
