Description

High up in the hamlet of Galilea in the Tramuntana mountains you will find the gem Residencia Roca Bella, with an enchanting distant sea view. Families will find space here as well as couples or friends looking for peace and quiet.

This gem offers all guests a place to unwind and escape everyday life for a while. Feel good and take a deep breath is the motto here. The child-friendly property offers a fenced soccer field and a playground with a playhouse and swings. After the game, the pool invites you to refresh yourself.

In the chill-out area you can enjoy the view of the plain and the sea or relax with a glass of wine and a good book.

Specials

The outdoor area is versatile and terraced over several levels: From the entrance gate you come to the main terrace with pool, gym and large sauna house; above the finca there is a corner with artificial turf, which can be used as a soccer or yoga field. The covered BBQ area borders directly on the house and is easy to reach from the kitchen. Below the main terrace with pool there is a small children's playground. You can linger on sun and covered terraces and let your gaze wander to the sea over the tops of the trees of the Tramunana mountains.

In the evening you can see the lights of Santa Ponsa twinkle. The interior of the house also leaves nothing to be desired. In four bedrooms, each with a bathroom en suite, you will sleep on the best mattresses. Two bedrooms have sofa beds and two bedrooms are connecting rooms; but with its own bathroom en suite. Another plus and focal point of this jewel is the fully and diversely equipped American kitchen with a hatch to the BBQ terrace.
