Description

This exceptional 6 bedroom villa has been recently renovated (2022) and is located in the heart of Bakoven. Here 2 villas with 3 bedrooms each, have been combined into one large and comfortable villa. The rooftop terrace offers breathtaking views of the ocean and the Twelve Apostles mountain range. This villa has been cleverly designed with airy open plan living spaces, 2 feng shui courtyards and 2 plunge pools.

Both parts of the villa are uniquely designed as the different levels are all built around the central courtyard with the plunge pool. This allows a group to use different areas of the villa and not necessarily be in the same living area or outdoor area at the same time.

As you enter each area of the property, you enter the open plan living, dining and kitchen area. There is also a guest bathroom on this level. The kitchen is fully equipped with everything you need for your vacation, including a dishwasher, washer, dryer, and microwave. The dining table can seat 6 people. There is also an L-shaped couch and a flat screen TV with DSTV connection. The living room opens onto a smaller terrace overlooking the sea.

The respective master bedrooms are located on the upper floor, where you also access the roof terrace with its magnificent 180-degree views over the Atlantic Ocean. The master bedrooms are light and airy and feature a walk-in dressing area and a large bathroom with bathtub, double vanity and walk-in double shower.

Each of the other two bedrooms are located one floor below and each has an en-suite bathroom with shower and access to a separate terrace with outdoor seating for 6.

This property is ideal for those who like to travel together but also each want their own space.
