Description

Panacea is a split-level villa, very private and partially set in a greenbelt. Wall-to-ceiling bay windows let streams of light fall on gleaming wood and tastefully designed decor. Panacea is a split-level villa with 4 bedrooms and a separate fifth studio bedroom on a lower level. Views of the Atlantic Ocean and Lion's Head Mountain can be enjoyed from the open-plan living and dining room, which opens onto a large wooden terrace with outdoor seating and a Jacuzzi.

The modern kitchen, also open to the dining room with seating for 10, is fully equipped and has a separate scullery with dishwasher, washer and dryer. Three bedrooms, each with its own air conditioning, are on the upper level and the fourth room is on the entry level.

The house is just a short walk (about 2 minutes) from Camps Bay beach and ideal for a family or group of friends. The house also borders The Little Glen, a perfect place for picnics or for children to play.

From the villa, which is spread over 3 levels, you have a spectacular view of Lion's Head, Camps Bay beach and the blue Atlantic Ocean.

Specials

Bordered by the spectacular Twelve Apostles mountain range and the glittering Atlantic Ocean, Camps Bay is one of Cape Town's most breath-taking suburbs. As well as being a popular summer attraction for locals and tourists, Camps Bay boasts restaurants and watering holes aplenty that line the famous sunset strip for fun that goes on long after dark.
