## Description

Away from the hustle and bustle in the southeast of the island and nestled in the hilly landscape around Cas Concos is the finca Can Alma. Surrounded by a beautifully landscaped garden with countless olives, citrus trees, oleander and rosemary, this finca invites you to relax and unwind. The finca was extensively renovated in 2022 and furnished with high-quality wooden fixtures and natural materials. On the ground floor, there is an open living area with a large, fully equipped kitchen and an adjoining dining room with a large table for 8 people. From the dining room you enter the cosy furnished living room with fireplace. The ground floor also has a separate part with two air-conditioned bedrooms and a bathroom. One of the bedrooms has its own terrace. On the upper floor of the house, you enter the master bedroom with a spacious dressing area and en suite bathroom. This bedroom offers a fantastic view of the pool area and the garden. Another double bedroom, also with en suite bathroom, has a large terrace and offers spectacular views of the San Salvador monastery. Also on this floor, both bedrooms are air-conditioned. The outdoor area with the covered terrace with large dining area, lounge and adjacent barbecue area with a Weber gas barbecue, invites to wonderful summer evenings overlooking the pool and the large garden. At the pool area, comfortable sun loungers await the guests as well as a bamboo lounge with a large straw umbrella and another natural stone lounge.
