Description

Welcome to Phinda Vlei Lodge

Phinda Vlei Lodge is an intimate and romantic safari lodge, overlooking a unique vlei (wetland system) on the edge of Phinda Private Game Reserve's rare sand forest. Phinda Private Game Reserve showcases one of the continent's finest Big Five game viewing experiences and displays a magnificent tapestry of seven unique landscapes across an impressive 29 866 ha (73 800 acres) of protected wildlife terrain. Guests at Phinda experience unforgettable interpretive game drives in open 4x4 safari vehicles, led by professionally trained &BEYOND rangers and Zulu trackers, as well as a wide range of optional adventures in the bush and on the beach.

Phinda Vlei Lodge's unique location offers ever-changing game viewing from the comfort of your suite. Set on the edge of a sand forest, and overlooking a vast grassy meadow, each of the six thatched suites ensure exclusivity and incredible wildlife sightings. The air-conditioned suites each feature a beautiful, plantation-style bedroom, with a luxuriously spacious ensuite bathroom and dressing room that effortlessly blends a sense of old-world luxury with quirky, contemporary features. The suite's interiors showcase a mix of curated antiques and collectables combined with bold fabrics. Take advantage of a private lap pool and game viewing deck that overlooks lush plains and observe antelope and other curious wildlife grazing nearby, as well as a variety of birdlife. Unwind in the beautiful surrounds of the main guest area, which also includes a handsome library, as well as a fire pit setting, ideal for pre-dinner drinks.

Choose from a range of exciting Phinda Adventures such as a specialist walking and tracking safaris, a sleep out under the stars, and other participative conservation experiences such as rhino notching or pangolin tagging. Also within easy access of the reserve are Zulu village tours, Africa Foundation community visits, a Maputaland exploration, Maputaland beach trip, night turtle drives (seasonal), scuba safaris, or an incredible ocean safari that offers you a host of marine life sightings. Specialist safaris can be arranged in advance and focus on special interests such as birding, photographic, family and private safaris.
