Description

Welcome to Phinda Rock Lodge

Dramatically set into a cliff face, Phinda Rock Lodge's six intimate and private suites are seemingly suspended over the deep valley below, providing breathtaking views of Phinda Private Game Reserve. Phinda Private Game Reserve showcases one of the continent's finest Big Five game viewing experiences and displays a magnificent tapestry of seven unique landscapes. Phinda Private Game Reserve is situated in close proximity to the unspoiled beaches and spectacular coral reefs of the Indian Ocean, offering an unmatched combination of bush and beach adventures.

Each romantic suite, constructed from contoured stone, boasts solid wooden shutters and doors, which open onto a private plunge pool and viewing deck. Featuring spacious ensuite bathrooms, four of the suites also offer outdoor showers. The lodge's guest areas offer the perfect vantage point for viewing the reserve's abundant birdlife and the wildlife roaming in the bush below. French doors open onto an extended outdoor deck, the perfect setting for al fresco meals, while a rooftop terrace provides a romantic venue for dining beneath the stars.

Choose from a range of exciting Phinda Adventures such as a specialist walking and tracking safaris, a sleepout under the stars, and other participative conservation experiences such as rhino notching or pangolin tagging.
