## Description

This magnificent property is located in Meisho Hills, an exclusive award-winning residential complex consisting of 58 luxury homes with breathtaking views over Marbella and Puerto Banús, towards Gibraltar and Africa. Built with the highest quality materials, this house perfectly combines stone, marble and wood to create a spectacular interior design. The property features double height ceilings leading into the spacious living areas: a beautiful living room with fireplace and dining room all overlooking the outdoor terrace and private swimming pool. Adjacent to the dining room is a fully equipped kitchen and laundry area. The ground floor is completed with a guest toilet and a bedroom with bathroom ensuite.

The remaining 3 bedrooms are located on the first floor, all with en-suite bathrooms and connected to the rest of the floors via a lift that connects the property from the garage in the basement to the first floor.

A spiral staircase leads to the solarium with magnificent views where you can enjoy sunbathing and relaxing in the chill out area. Integrated domotic systems, air conditioning, heating and underfloor heating offer residents maximum comfort. The gated complex also offers 24-hour security, two large outdoor swimming pools and three spa areas with gyms, indoor pools, saunas, Turkish baths and relaxation areas.

The complex is surrounded by manicured gardens with ZEN elements, creating a serene and enchanting atmosphere for an unforgettable stay in Marbella.
