Description

Enjoy one of the most emblematic and representative estates in all of Spain, located directly at the sea on the famous golden mile and merely minutes from the acclaimed Marbella Club Hotel. Dramatic sea views, graceful interior design and exceptional amenities are just some of the many attributes that will make your stay unforgettable. Aside from the customary attributes associated with a property of this caliber, such as an elegant entrance hall with imperial staircase and stained glass ceilings or a private lift there are also plenty of other amenities. An entertainment area with private home cinema, billiard table, arcade machines, a luxurious private bar, spa with sauna and Jacuzzi as well as a wine cellar. Additionally there is underground car park for up to eight cars. Casa Lorianaa offers incomparable tranquility that enables its guests to experience a seamless indoor/outdoor lifestyle in one of the most sensational environments. The entire estate consists of four different properties: the sublime main house with its five suits, an exquisite guest villa with three suits, a magnificent pool house with two en-suite bedrooms as well as its own kitchen and living area. Lastly there is a large staff house that offers four suits. A remarkable quality of Casa Lorianaa is, that despite its size, it never fails to reproduce an atmosphere of familiarity and warmth. This, most-certainly, is a result of the elegant and timeless interior design and a well-thought-out floor plan with the Mediterranean Sea as a focal point. Thus, Casa Lorianaa serves ideally to spend much needed quality time together, yet easily can be utilized as a venue for more formal occasions.

Specials
