Description

This precious Finca on 6.000 m² terraced garden grounds amidst 1000 year old olive trees and citrus orchards, nestles on the fringes of small quaint mountain village Banyalbufar on the north-west coast, featuring awe-inspiring views of the scenic Tramuntana slopes dropping into the ocean. Built 300 years ago, it took years and utmost dedication to create this world-class hideaway.

Generous room layouts, thick isolating walls and the most tasteful interior design, as well as several large, comfortably furnished terraces, all revealing stunning views into the gorgeously landscaped garden grounds with large sparkling pool, BBQ house and lush Mediterranean vegetation, combine to an oasis for total enjoyment and relaxation.

Telephone, ADSL and WLAN are provided, as well as a home theatre, DVD, beamer and other contemporary mod-cons. This treasure for leisure is perfect for discerning guests seeking tranquility and relaxing holidays off the beaten tracks, as well as the pleasures of walks and hikes in the indigenous, scenic coastal area of Tramuntana Mountains. The next bathing bay 1 km down the road is still in walking distance, and it is even closer to a small supermarket, a couple of look-out cafés and a couple of charming local restaurants within Banyalbufar.
