The large natural plot offers plenty of space for adventurous children.

An ideal place for nature-loving families or friends and yet only a few minutes by car from the hustle and bustle of the beach.

The capital Palma is approx. 21 km away and the airport 30 km.

## Specials

Children will find plenty of space to play on the large natural plot. At the back of the property is the henhouse. Here you can collect a fresh egg or two for your breakfast in the morning.
