## Description

Finca Valldemossa Hills has been carefully restored to preserve and emphasise the original elements of the house while offering modern comforts. Situated in the mountains, about 5 to 10 minutes by car from the centre of Valldemossa, this country house is an ideal retreat for guests seeking peace and relaxation in unspoilt nature. Outside, you will find a large private pool and a spacious, covered terrace with a state-of-the-art outdoor kitchen, perfect for barbecues and refreshing drinks. Enjoy the breathtaking view of the sunset here or relax after a tennis match. The impressive, open-plan living area with double-height ceilings has a cosy fireplace and a historic oil press that adds character to the room. The fully equipped kitchen and dining room offer wonderful views of the lush garden where palm, olive and lemon trees thrive. With space for up to 12 guests, the finca offers six stylish double bedrooms with a rustic design. The combination of wooden ceiling beams, stone walls and high ceilings gives the rooms a unique, natural charm.
